

# 19<sup>th</sup> George Stephenson Lecture

## MANAGING TO IMPROVE THE WORLD THROUGH ENGINEERING

By IMechE President Keith Millard CEng FIMechE

**Date:** Tuesday 30 March 2010,  
12.00 pm for 12.30 pm start  
**Venue:** Hawken Auditorium,  
447 Upper Edward Street, Brisbane  
**Cost:** \$10

The overall theme of Keith Millard's year of office is using management techniques to improve the world through engineering. Keith's engineering education, training and experience provided the foundation for his management capability, which draws its strengths from three main areas project management, strategy and leadership.

As President, using the interdependent pillars of good leadership, sound strategy, effective project management and excellent people, Keith has focussed on inspiring the younger generation engaging with the membership and addressing energy sustainability.

Keith Millard, 124th President of IMechE, joined the Institution in 1968 and became a Fellow in 1977. He chaired the Technical Strategy Board until recently and is a past Chairman of the Power Industries Division Board and was founding Chairman of the Management Group Board. He has been a Trustee since 2004.

Light refreshments will be provided. For more information please contact IMechE Qld Panel Chairman Daya on 07 3818 4344.
